

## AXIS P3905-R Mk II Network Camera

## Onboard HDTV 1080p surveillance with Zipstream

AXIS P3905-R Mk II Network Camera is specially designed for video surveillance in vehicles and rolling stock. The compact, discreet, and rugged camera is IP66/IP67-rated, and can withstand tough conditions such as vibration, shock and temperature fluctuations. Optional accessories for outdoor installation and wider field of view available. The camera provides HDTV 1080p with WDR and Lightfinder to ensure high image quality in mixed and low-light conditions. Traffic Light mode enables the camera to distinguish traffic light colors in dark scenes. AXIS P3905-R Mk II supports Zipstream, which significantly reduces bandwidth and storage requirements.

- > Rugged design with EN 50155:2017 Class OT2/ST2 compliance
- > Compliance with strict standards in transportation industry
- > WDR forensic capture and Lightfinder
- > Zipstream
- > Traffic Light mode
